President's Column

Linda Cooper

Shalom,

Temple Anshei Shalom is doing well. Our Lifelong Learning seminars are very well attended. These seminars include Rabbi Adler's classes, The World of our Rabbis and Cantors, Talmud Study, learning to read Hebrew and much more. We have had eighty to one hundred people join us for Lunch and Learn programs each month. We also have people joining us for Book Club, Bridge, Folk Dancing, Weekly Movies and Yoga. Of course, we have our entertainment events like Anshei After Dark and entertainers like Billy Gardell, whose event was attended by about 600 people. At TAS, our We Care program, along with the Mitzvah Knitting Group, support our members who are having medical problems by calling, visiting and giving some of them specially knitted blankets. How lucky we are to have all these programs at the Temple.

In addition, we are starting a Capital Campaign to raise funds to replace the roof and do needed repairs and renovations as necessary. More to come about the Capital Campaign.

Have a happy Purim.

Rabbi's Column

Rabbi Raphael Adler

Purim and Friendship

Choni, the Circle Drawer, was a scholar in Talmudic times. He brought rain during a drought by drawing a magic circle and performed other miracles. One day he took a nap and woke up 70 years later.

When he discovered that absolutely no one he knew was still alive, he realized that even an extraordinary length of days could be a curse. When you are friendless and alone, time is an enemy.

Growing depressed that he lived in a new world without loved ones, he cried to the Almighty, "Give me friends or give me death". Choni then woke up in his own time surrounded by people who cared for him.

Purim is the only Jewish observance where it is mandated to give prepared edible gifts to friends. The more the merrier. It is not the cost but the thought that truly counts. Since Purim is the most joyous of all holidays, we increase our happiness quotient by cultivating and recognizing not only the poor, and not only family, but the greatest treasure of our lives, friendship.

Pirke Avot, the Ethics of the Fathers, exhorts us "Kaney Lecha Chaver", acquire a friend. If you have one, appreciate the relationship and shower your friend with Purim delicacies. If you are bereft of one, it is never too late. Come to Temple Anshei Shalom enough times and your new found friend will appear to you.

Our shul is about friends who become family.

This Purim, be a friend, have a friend and strengthen your friendship.

Studies show that if you do, you will live longer and better. What better Purim gift to bestow upon yourself!

Purim Sameach

I Care...You Care...We All Care...

Fran Goldman

*A little bit of compassion lives
Within our heart each day
When you decide to perform a kindly deed
In a most sincere and honorable way.*

*Why should we save our kindness
For just one special time?
A person needs love, caring, and acceptance
When their sense of belonging is in a bind.*

*Extend a helping hand to those in need.
And give them hope and comfort this day.
Often the things that mean the most
Aren't those for which we must pay.*

*A sense of kindness has not yet faded.
Concern for the needy is still in the heart,
And will grow stronger throughout the year
If we all join together to do our part.*

(A Sense of Kindness ...Joseph T. Renaldi)

The most rewarding feeling, being part of "We All Care," is when we see our many members, who have recovered from illnesses, or who have recuperated from surgery, back in Shul with us on Shabbos. We reach out, we visit, and bring a "Mitzvah Blankie" to our members on the MiShebrach list. Tony and Ruth Krisman have joined our team. Tony has visited many of our members in rehab centers in Delray, as well as Boca Raton. I know he has brought a smile to the faces of everyone he has visited. Ruth is the newest member to our Huntington Pointe community connectors. Thank you for stepping up ... "We All Care!"

If you have any thoughts/ideas, that you would like to share, please leave a note in my mail box, in the office.

A smile is happiness right under your nose.

Lunch & Learn Sylvia Eisner

Our last Lunch & Learn program for this season is Thursday, March 14 at 12:00 noon. Come and enjoy a delicious hot lunch by Diamond Caterers and hear our guest speaker, humorist and lecturer, Marjorie Gottlieb Wolfe, who is presenting "The Bintel Brief in 2019". The original "Bintel Brief" was a "Dear Abby" type feature that appeared for over 60 years in the Jewish Daily Forward. It resembled an immigrant soap opera and served as a newcomer's guide to America. I promise you that Ms. Wolfe's updated version will be informative and a delight. You won't want to miss it!

Ms. Wolfe, a retired business educator, is the author of "Yiddish for Dog & Cat Lovers", "Are Yentas, Kibitzers & Tumblers Weapons of Mass Instruction? Yiddish Trivia", and a multitude of articles that have appeared in The New York Times, Smart Money Magazine, Playbill Magazine, The Jewish Press, The Long Island Jewish World, and many other publications.

Reservations are \$18 per person for TAS members and \$23 per person for non-members. Reservations may be made in the Temple ticket office Monday - Thursday from 9:30am - 11:30am, or by calling 561-495-1300, ext. 4 and using MasterCard, Visa, American Express or Discover. Don't delay as the cutoff for reservations is Monday, March 11.

In conjunction with
Jewish Family Services,
we have a bereavement group.
The group meets weekly, on
Tuesdays, at 10:30 am.

Ritual Committee

Mitchel Abramowitz

Rabbi Polirer, who has been retained as the Baal Korei, is a superb Torah reader and is a great asset to our Temple. In addition to reading on Shabbat, he has been retained to read the Megillah on Purim. Rabbi Adler and our own members are reading the weekday and holiday Torah portions. I wish to extend my personal thanks and appreciation to Peter Levine, David Didner, Rabbi Elaine Schnee and Seymour Politinsky for reading so beautifully. I will be pleased if any congregant would like to chant one or more aliyot during the week or on any Shabbat.

In addition to requesting an aliyah, we would also like to know if you are capable of reading a Haftara, leading p'sukay d'zimra on Shabbat or holidays, being a Baal Tefilla for the weekday morning or evening services or reading the Megillot on specific holidays.

A special e-mail address has been created specifically for contact with the Ritual Committee. It is TASRitual@comcast.net. Put it in your address book, use it freely, record a message with details and you will receive a response. I can also be contacted at 215-514-1876.

This address is for the use of the entire Temple membership to request a particular honor for any service, any time, to read a Haftara, and for the submission of any comments.

Under the direction of Judy Koles, the Ritual Committee has inaugurated breakfast after the morning minyan. It is scheduled every Wednesday in Annex 1. Donations are requested to cover the cost of the food. Sponsorships will be available for a more elegant spread to honor a special occasion. If there is sufficient interest, the breakfast can be expanded to include additional days.

The Kitchen subcommittee has been formed under the chairmanship of Gayle Savitz and Hella Reitman. Plans have been prepared to reconfigure and upgrade the kitchen to ease the monitoring of the kashrut conditions. It will be mandatory that a member of the kitchen committee be in the kitchen whenever food is being prepared or served. These volunteers will be oriented in the workings of the kitchen and will observe the food servers at these times to assure the proper handling of the food, supplies and equipment.

Some of the future events being considered by this committee are a Golden Shabbat being conducted by congregants over the age of 90, a Tu B'shevat seder, musical presentation at the Friday evening service, instructions for Hagba and Glilla and Torah and haftara chanting. If you are interested in participating in any of these events, please contact the ritual committee. Keep your eyes and ears open for future developments.

As always, we are open to all suggestions and comments. With your cooperation and participation, we will continue to enjoy all the current and future activities at Temple Anshei Shalom.

Scholar in Residence

Sheryl Roth

The January 25-27th, 2019 1st Annual Jack and Nancy Bushinsky Scholar in Residence weekend was well attended, educational and positively received by our congregation and community. We learned a great deal from Dr. Richard Freund, the Maurice Greenberg Professor of Jewish history and Director of the Center for Judaic Studies at the University of Hartford in Connecticut. He is a field archaeologist and historian who has developed a new method of working on sites with particular social, political and religious sensitivities. We found him to be an engaging and lively speaker. His Friday evening lecture during services was entitled "Did the Exodus really happen: Insights from archaeology". Saturday during services, he spoke about "The Messiah of Judaism: finding Bar Kohkba in a cave". Sunday was the UN date for commemoration of the Holocaust and he gave an A/V presentation about his Holocaust excavations.

There are many people who contributed to the success of this wonderful weekend. First and foremost, thank you to Jack and Nancy Bushinsky, who have generously endowed our temple with funds for scholar weekends for many years to come. We reached out for sponsors on the Gold and Silver levels and you answered the call. Thank you so much to our Gold sponsors: Shira Chiron, Lorraine Cohn, Rabbi and Mrs. Donald Crain, Sumner Greenberg and Rochelle Potash, Rabbi and Mrs. Raphael Miller and Sheila Sreden. Many thanks to our Silver sponsors: Mr. and Mrs. David Didner, Mr. and Mrs. Dan Goldman and Mr. and Mrs. David Lurie.

Diamond Caterers supplied a delicious Friday night dinner and Sunday morning breakfast for ticket holders and everyone enjoyed an expanded Saturday kiddush after services. YASHER KOACH TO ALL INVOLVED!

Men's Club

Bob Rothman

By the time you read this, you will have seen and enjoyed the film, "Bagels Over Berlin", a fascinating documentary about the Jewish airmen who flew countless missions over Germany during WWII. Some of those airmen were present at the filming and interacted with the attendees at the Q&A period that followed the film.

You will also have experienced the talents of our members who participated in conducting the Shabbat services on February 23. As organizer of this service, I would like to offer my sincerest thanks and appreciation to all who participated in its success. The cast of participants can be found at the end of this article. The Men's Club Shabbat is an annual event scheduled on the last Shabbat in February, so mark your calendars for next year's spectacular and volunteer early to ensure your inclusion in this special service.

The Men's Club trip to the FITTEAM BALLPARK OF THE PALM BEACHES in North Palm Beach to see the Red Sox play the Nationals on March 5th was a great success. Also in March, on the 17th, after a deli brunch from Ben's, Sheldon Singer will be honored as the Men's Club Man of the Year. This occasion will be highlighted with a presentation by Sandy Didner with a review of her book, "The Conspiracies of Dreams" telling the millennia old rift between Arabs and Israelis and a Egyptian spy who was determined to gain information about the 1956 Israel invasion of the Sinai.

So as not to interfere with Passover, the April brunch will take place on the 7th, the first Sunday in April. At that time, Rabbi Tirtzah Israel, a new member of our Temple, will relate the story of what inspired her to become a Rabbi.

On May 19th, Anthony Krisman, also a member of our Temple, will be our guest speaker. He will relate his experiences about growing up Jewish in England.

The Men's Club raffle books should be in your possession as you read this article. Please submit all the receipts by May 16th. The drawing will take place at the conclusion of Anthony's presentation.

These interesting events occur on the third Sunday of every month. The cost, including a hearty breakfast and a chance for a door prize, is \$10.00 for members and \$12.00 for non-members. If you have not yet done so, please pay

your 2019 dues. It is the biggest bargain in town. Mark your calendars for attending these presentations. Come and bring your wives, your male and female friends and guests.

Coming soon will be another Caribbean Cruise sponsored by the Men's Club on Celebrity Silhouette, scheduled for December 1-13, 2019. Pick up a flyer at the Carousel in the lobby.

The Palm Beach Coupon book is sold out. Be on the alert for the 2020 edition.

Security

Mort Cooper

Shalom,

Great news. The company that takes care of security systems in the Temple was here about two weeks ago and checked all of our systems: security, fire, lights, doors, etc. and determined that everything was in good working condition. You can take a deep sigh of relief! That takes care of what we already have. Now for what we are getting: On order are four emergency call buttons. They are the size of a small flashlight and work almost as fast as a flash of light. They send a signal to a 911 station and several Palm Beach Sheriff's cars, plus Fire/Rescue vehicles are immediately dispatched. The security guards will be in charge of those devices. In addition, we will be getting a set of what used to be called, "Walkie – Talkies", so one guard and/or Temple member can be in immediate touch with another. Another hardware item to be checked out is a proper whistle to use when signaling for an evacuation. There will be no charge for this item as I have donated several to the Temple!

The Security Committee is still working on evacuation plans to get everyone out of the Sanctuary or Social Hall as quickly and safely as possible. Yes, those using wheelchairs, walkers or canes are in the plan as Joan and Lester Schwartz are on the committee. Other Temples and Fire/Rescue units are being consulted. More is involved than saying, "Let's try this plan and see if it works," because anywhere from 100 to 500 members and guests attend our services and events. Yes, there will be practice evacuations.

To help manage all the items that are under consideration, Bill Schwartz has been appointed as my assistant. He and I are the liaisons with the District 4 Palm Beach Sheriff's Office, which is located two doors to the East of the Temple. The Captain in charge is a great leader, is on our side, and is pushing this teamwork approach. The Temple is part of an organization that links other Temples and Synagogues in the area with the PBSO. Again, this is instantaneous linkage through cell phones.

A few members have questioned whether all the security items, procedures and costs are necessary. The answer is YES. Physical items can be replaced; people cannot be. It had been said that good people were marching with the KKK and White Supremacists in Charlottesville last year. History indicates otherwise. We believe in being prepared.

Spotlight on Marvin & Margot Cohen

Jan Myles Schwartz

For Marvin and Margot, 1948 seems like yesterday. That's when they met at a party in Washington Heights in Upper Manhattan. "He was sweet and quiet," she recalls. "She was very pretty", he adds. Six months later they were married...and are still going strong 70 years later. Margot lived outside Stuttgart, Germany, until her family came to the U.S. when she was 10, just five months before Kristallnacht. "We knew what

was coming," she says, "and got out just in time. Much of our family was lost."

After finishing high school in Washington Heights, Margot studied bookkeeping and worked for a real estate management company, personally managed a 60-physician medical building and four tennis clubs. A Brooklyn native, Marvin graduated from Stuyvesant High School and served in the Army during World War II. He became a skilled typographer and was foreman of a printing company with 45 employees who typeset, formatted and proofread ads for major department stores.

"There was such a housing shortage after the war, you had to bribe building superintendents to get a chance at an apartment," Marvin laughs. They moved to Franklin Square, L.I. in 1950 and raised two sons, Jeff, who lives in Port St. Lucie, and Richard, of Oceanside, L.I. They have three grandchildren, Matthew, 16, and Deanna and Elizabeth, both 26.

Their lives in Franklin Square were full and busy. Marvin worked the night shift, often 12 hours straight. At Franklin Square Jewish Center, Marvin was President; Margot was Sisterhood President. They also found time to take their boys on family trips.

In 1996, they moved to Delray Beach and joined Temple Anshei Shalom at the urging of the late Paul Felder (TAS President Emeritus) whom they'd known for decades. Paul's wife Ruth was Margot's second cousin.

It didn't take long for both of the Cohens to get involved at TAS, Margot as coordinator for Sisterhood's "phone squad", and Marvin as Board member and coordinator of the synagogue's printed materials. In 2002, the Board created a new office specifically for him, Vice President for Communications, which he continues to hold.

Today, Marvin, 91, is still busy editing, proofing and formatting our weekly Shabbat programs, the annual Book of Remembrance and the Lifelong Learning Catalogue. He's also responsible for printing and mailing weekly Yahrzeit letters and overseeing installation of Yahrzeit plaques. But every afternoon and evening, he's at the side of his Margot, 90, who resides at a longterm care facility in Delray. They both love visitors! Please give them a head's up first by calling Marvin's cell, 561-573-4048.

SHOWTIME AT ANSHEI

Opera in the Afternoon

Sunday, March 10, at 1 pm

**Opera in Four Acts. Composed by Giuseppe Verdi in 1841.
Recorded live from the Teatro Regio di Parma, 2009. Performed in Italian
with English subtitles. Running time 137 minutes.**

Nabucco is considered to have permanently established Verdi's reputation as a composer. He commented that "this is the opera with which my artistic career really begins. And though I had many difficulties to fight against, it is certain that Nabucco was born under a lucky star".

Storyline: Follows the plight of the Jews as they are assaulted, conquered and subsequently exiled from their homeland by the Babylonian King Nabucco (in English, Nebuchadnezzar II). The historical events are used as background for a romantic and political plot. The best-known number from the opera is the "Chorus of the Hebrew Slaves" ("Fly, thought, on golden wings"), a chorus which is regularly given an encore in opera houses when performed today.
