The Larry Feinberg Lifelong Learning Center 2021-2022 Course Catalogue

The Larry Feinberg Lifelong Learning Center encompasses Lifelong Learning programs, Lunch and Learn programs and the Rabbi's Timely Topics and Timeless Torah classes.

Welcome to the Larry Feinberg Lifelong Learning Center's catalogue for the 2021-2022 season. We have some wonderful programs in store for you! We have many returning speakers as well as several new speakers. Each session will provide us with great stories to hear or thought-provoking ideas to make us think and appreciate what we have. We have been through a lot this past year and a half.

We hope that all our classes will be in the synagogue building this year, following the guidelines that the shul has posted at the time of the classes. As we prepare for the season, we are currently asking everyone to remain masked and have already been vaccinated to enter the building. If you have not already shown your vaccination card, you will need to do so the first time you enter the building. This applies to all our guests as well as our members.

Every day of the week we have something planned at TAS:

(*denotes a Lifelong Learning program)

Mondays: Lifelong Learning at 1 :30 pm starting December 6*

Tuesdays: Rabbi Adler's Timely Topics and Timeless Torah, at 11 am starting October 5*

Wednesdays: Afternoon Movies, twice a month

Thursdays: Conversational Hebrew with Sara at 10:30 am starting October 7
Chair Yoga with Nora at 9 am starting October 7
Lifelong Learning at 1:30 pm starting December 8*

Fridays: Book Club with Barbara (once a month) at 10 am starting October 22

Cantor Ken would like to start either a choir or a class where we would be guided and encouraged to discover our natural singing voices using texts and melodies to express our Jewish Soul together. If you are interested in joining the journey, call TAS (561-495-1300, option 6) and leave a message for Cantor Ken.

Beginners' Hebrew is planned for later in the season. Details will be forthcoming.

Also, we are planning four Lunch and Learns this season. Dates and times are listed in the catalogue.

So please join us and enjoy learning new things and being entertained!
Ilene Oppenheimer and Elizabeth Stux, Co-Chairs

Donations are always welcome and greatly appreciated.
