Ritual Committee

With the hopes of attracting additional attendees, we started the Sunday morning services at 9:00 a.m. So far, this did not bring in any additional daveners. We will continue the 9:00AM start through August. Hopefully, some members will start to attend.

As mentioned previously, the minyan is the heart of any synagogue, Mourners cannot recite the kaddish lacking a minyan. Your attendance at a daily minyan in the morning or the afternoon would be a great mitzvah and greatly appreciated.

During Rabbi Adler's absence, Martin Fuchsman, Rabbi Sylvan Kamens and Rabbi Steven Moss substituted very capably and were well received. Rabbi Polirer will be away July 29, August 5 & 12. Marilyn Silberstein and Mark Weicher will be reading torah during his absence, Shabbat , July 15, is the TAS Board of Directors Special Shabbat. All present Board members have honors and will sponsor the kiddush following the service.

July 26 and 27 reading of Eicha has been assigned to Rabbi Adler, Cantor Cohen, Rabbi Hering, Rabbi Kamens, and someone TBD. A volunteer will be welcome.

Cantor Cohen will be on vacation the first three weeks in August. Mark Weicher will be leading the Friday Kabbalat Shabbat service and other members, including Marilyn Silberstein and Rabbi Richard Polirer will be leading the shabbat services.

As we approach the High Holidays, honors will be selected by Paulette Ballin and Barbara Abramowitz. If you have any preferences, please notify the office.
